

A future that's always expanding...

# Why?

What makes **JTEKT** essential?

Shaping the **HAPPINESS** that lies ahead.

JTEKT contributes to the Earth, Society, and Customers.

**Happiness born of contribution.**

Our company is a vessel for contributions to society.

JTEKT has contributed to customers around the world through our Monozukuri and Monozukuri equipment. We will continue to pay attention to the world's problems and social issues, and provide solutions together with our customers through our products and services. JTEKT believes that the greatest social contribution we can make is to bring happiness to the Earth and society. We will continue to move toward a brighter future while believing in the joy that comes from contribution.
